To Whom It May Concern:

This is a request under the California Public Records Act. I'm a reporter with the blog [michaelkohlhaas.org](http://michaelkohlhaas.org) (henceforth "MK.ORG") seeking information from the Los Angeles Police Department ("LAPD") and its Board of Police Commissioners ("BPC").

I am seeking a record of all cell phone messages sent to and from Chief Moore, as well as a record of all cell phone messages sent to and from all BPC commissioners during the duration of the most recent BPC meeting. Responsive records should include, but should not be limited to: the sender and receiver name, phone number, text, images, links, and timestamp, all within clear threads that indicate which messages are being responded to and among whom.

Additionally, I am seeking a record of all chats shared between Chief Moore and BPC commissioners on any platform on which the group was communicating during the described meeting.

Electronic Records: Please furnish all responsive records in electronic, searchable format delivered to my email address: [mike@michaelkohlhaas.org](mailto:mike@michaelkohlhaas.org).

Further Correspondence: All correspondence regarding this request can be directed to me at [mike@michaelkohlhaas.org](mailto:mike@michaelkohlhaas.org).

## City of Los Angeles Public Record Requests

Please be aware that under the California Public Records Act, this request requires a response within ten business days. After that time, it is subject to litigation. If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the California Public Records Act. As the law requires, I will also expect you to release all segregable portions of otherwise exempt material.

I reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

Thank you for your prompt attention to this request.

Sincerely,

MK

Requester +  
Staff

Dear Requester:

The Department continues to process CPRA requests as they come in during the COVID-19 public health crisis, and will endeavor to do so in a timely manner. While the Department will be making every effort to comply with its statutory obligations, due to the COVID-19 crisis and the City and Department's efforts to tackle its effects, the actual production of records responsive to your request (if any) may be delayed if Department resources are needed to perform critical functions or are constrained due to the pandemic. The Department greatly appreciates your patience during this difficult time, as the entire community and nation deals with this unusual and serious situation. During this crisis, the Department would also ask that requesters consider postponing the submission of any requests that can wait until after the immediate crisis has abated.

If you have any questions, please respond to this e-mail.

Respectfully,

LAPD Discovery Section, CPRA Unit
